Mr. Dieter,

This letter serves as official confirmation to you the decision of the National Hot Rod Association in regards the H3R Performance billet mounting accessories intended for use with 1.0 lb., 1.4 lb., and 2.5 lb. fire extinguishers. The following fire extinguisher-mounting accessory combinations are accepted in all categories of NHRA Championship Drag Racing. Acceptance is effective immediately.

<b>Billet Mounting Accessory</b>	<b>Polished</b>	<b>Brushed</b>
Billet Band clamp for 1.0 lb. or 1.4 lb. extinguishers	BB100P	BB100B
Billet Band clamp for 2.5 lb. extinguishers	BB250P	BB250B
Billet Flat surface mount	BMF01P	BMF01B
1 5/8" Billet roll bar mount	BMR01P	BMR01B
1 3/4" Billet roll bar mount	BMR02P	BMR02B

Acceptance is contingent upon the system being manufactured as submitted, and used according to manufacturer's guidelines. Should you wish to make any changes to the product's design, construction or application, please notify us in advance.

Also, be advised that any acceptance is subject to all applicable provisions of the NHRA Rulebook, including Section 19, which reads in part: "*NHRA reserves the right to amend the rules at any time on its own initiative to prohibit or permit the use of specific types of equipment or practices.*"

If you have any questions or concerns, please contact us at 626.914.4761.

Regards,

Eric M. Lowe
